

Ride of the Month

**Ernie DeFrates lead a dedicated group through Rochester to New City Road**

December 22nd promised to be windy, and overcast. But it warmed up to 50 degrees, the sun peaked out a little bit and a small group enjoyed a lovely ride along the South Fork of the Sangamon River to New City Road. Thanks Ernie!

Almost Anything Award

**Dave Lucas stepped forward in a big way when Tracey's long-planned international adventure prevented her from managing the Holiday Party**

In addition to running a great event, Dave undertook a long overdue organization of the club's storeroom and even wrote a nice follow-up article for the QR. This is of course just the "tip of the iceberg" in terms of the kinds of things that Dave volunteers to do that aren't in any way related to his position as Treasurer. Thanks Dave!

Lead Water Bottle

**Robert LaBonte wins his second award in as many months**

The description for Robert LaBonte's December 29th ride said simply, "Destination depends on the weather." Unbeknownst to the group of intrepid cyclists gathered at Vredenburg Park that day, Robert had decided it was too cold to ride and had chosen for his destination the warmth and comfort of his home. So Robert earns this month's LWB for underestimating the fortitude of his fellow riders.

David McDivitt gets an honorable (?) mention this month, having confessed that he consulted with Robert that morning and agreed that it was too cold to ride.

## President's Report

February 2008

My friends:

This will be my last President's Report. Diagnosis of my pneumonia in late December also led to a surprise additional diagnosis of lymphoma. At this time, I need to devote as much time and energy as possible to my treatment and recovery. It would not be fair to the Club for me to attempt to continue in my current office.

Our Constitution specifies that, "If a vacancy [on the Board] shall exist for any reason, there shall be a special election to fill the unexpired term. Candidates shall be nominated and elected in the same manner as the officers are annually elected."

Therefore, a special election is planned for the March Board meeting; all members of the Club are invited to the March meeting. If you have an idea for a nomination for President, please send that on to a current Board member. Nominations for President could be made at the February meeting, and could also be made prior to the election at the March meeting.

Thanks to all of you; it has truly been a pleasure and an honor to work with you. As time and energy permits, I will continue to be as active in the Club as possible.

See you on the road!

## Board Meeting Notes— December 13, 2007

Kevin Greene, Recording Secretary

Members Present: Dave Ross, David McDivitt, Lynn Miller, Marty Celnick, Alan Whitaker, Dave Lucas, Naomi Greene, Ken Anderson, Tom Clark, Bill Donels and Kevin Greene

Dave Ross called the meeting to order at 7:00 P.M. and distributed an agenda. The minutes from the November 6 meeting were approved as submitted.

Treasurer's Report. Dave Lucas presented the treasurer's report, covering the period from November 1, 2007, to November 30, 2007. The beginning balance for the period was \$17,498.28, with expenses of \$579.43 and income of \$335.00, leaving an ending balance of \$17,253.85.

Ride Schedule and Meetings. David McDivitt reported that progress is being made on scheduling club rides for January, with only two rides remaining to be filled for the month. The next board meeting is scheduled for Thursday, January 3, 2008.

Awards. Alan Whitaker presided over nominations for the monthly awards. The Ride of the Month was awarded to Alan Josephson's Birthday Ride, which fea-

tered several route options and plenty of good food. The Almost Anything Award was awarded to Micci Bly, who came to the aid of Linda Butler when her ride to Salisbury was interrupted by a thunderstorm. There were no nominations for the Lead Water Bottle.

Legislative/Education. Lynn Miller reported that he attended a public informational meeting on the Iles Avenue Extension Project. At the meeting, a Springfield Public Works official indicated that the city plans to include bike lanes or multi-use paths in all major street construction projects. This will include four-foot eastbound and westbound bike lanes for the Iles project, and a 10-foot wide multi-use path located on the west side of the proposed 11<sup>th</sup> Street Extension, north of the I-72 overpass.

Social Activities. Dave Lucas gave the report for Tracey Hurley. Dave indicated the Holiday Party was a great success, with over 50 people attending. He recommended that a procedures handbook be developed for all club special events to provide guidance

to future board members and event chairpersons. He also reported finding a storehouse of supplies from previous special events at Spinner Plastics. He will work with the special events chair to inventory the items and make a report to the board at a future meeting.

Special Events. Tom Clark updated the Board on planning for the 2008 Capital City Century (CCC). He proposed that a special events subcommittee be established to help identify additional sponsors, improve marketing and build participation in the CCC. The Board approved the subcommittee proposal. Tom volunteered to be the special events chair for two years, during which time he hopes to institute quality improvement practices and create a handbook for future chairpersons. He plans to initiate a discussion on whether to replace or modify the current CCC route at the board meeting in February. Tom also proposed that the date for the 2008 CCC be Sunday, September 7. In addition, the registration fees would remain the same and the early registration deadline would be August 22. The Board approved the

*(Continued on page 4)*

*(Continued from page 3)*

event date and made no changes in the registration fees.

Newsletter. Marty Celnick reported that planning for the next issue of the Quick Release will start soon. The deadline for copy is December 15.

Old Business. The Board considered a proposal to store the club's membership database on its web server. This would allow the database to be backed up on a regular basis and facilitate the creation of an email notice or alert list to provide

information to members. The proposal was not approved. However, the board secretary will institute a mechanism to periodically backup the membership database on either a computer disc or flash drive.

New Business. The Board approved the creation of a subcommittee to review and make recommendations on whether to retain or change the criteria for calculating member miles (e.g., continuing to allow personal miles to be counted and reporting commuting miles separately) and providing

Spinner Award recognition. The subcommittee will meet on Thursday, December 27, and present its recommendations at the next board meeting.

The next board meeting is scheduled for Thursday, January 3, 7:00 P.M., at Robert Morris College, 3101 Montvale Drive.

## February Memories

By Mike Becker

**1973–35 Years Ago:** Dick Bentley resigned as President of the Club, and Lynn Lard was elected to fill the term. Patti Bird was elected to the now vacant Vice President's slot.

**1978–30 Years Ago:** The daughter of Club President George Caldwell, Nancy Jane Caldwell (age 6), wrote a short story for the QR:

A man bought a bicycle.  
He went for a ride.  
He got a flat.  
He didn't know what to do.  
To be continued.

An interesting and timely point. . .Be Prepared!!

Her father wrote: "It is now February. My bike is patiently waiting by the back door, while I check daily to see if it is slick or snowy. . .Give me a little dry pavement, and that old bike and I will see miles and miles. . .You're hooked on cycling when you fill out a TOSRV [Tour of the Scioto River Valley] application on February 6, when there is still a foot of snow on the ground and you haven't been on a bike for weeks."

Program notes: Chuck Cali gave a slide show about his Adirondack Mountains backpacking experience last fall, and Phil Chandler of Bushwacker talked about equipment you may use for backpacking, bikepacking, or a meal outing.

**1983–25 Years Ago:** SBC Vice-President Mike Rafalowski, best remembered as founding father of the bar-to-bar ride (which the club defuncted in a pique of moderation), left Springpatch

for the District, pulling a U-Haul behind him filled with his favorite beverage, which he feared might not be available in the east. Dave Burdick was elected to fill the vacant position.

Program notes: The legislative committee of Paula Johnson, Al and Carol Donn, Ron Habegger and others, presented an account of what the committee had accomplished up to that point and what its goals were for the future.

**1988–20 Years Ago:** The monthly membership meeting was changed to the Memorial Medical Center Auditorium, where the SBC viewed a video of the Lon Hadean, Pete Penseyres record tandem ride across the country. Lon has ridden with the SBC, as did Sue Notorangelo, his wife, both of whom have also attended an SBC meeting to talk about Lon's and Sue's record setting Race Across America rides. ++Marcey and John Werthwein hosted the Second Annual Chocoholic Party on Valentine's Day. If you don't know what that was, *quel dommage!*

**1993–15 Years Ago:** Paul Hendricks of the Central Illinois Community Blood Bank was scheduled for a presentation on giving blood and the benefits to the community. However, 6 inches of snow caused a cancellation of the meeting. That opportunity still exists today, so call them up, and when giving, credit the SBC. Besides, after donating, they COMMAND you to eat well and drink lots. ++Garland Stevens was high rider for the month. ++ Left over from January: Spinner awards were given out. Winners in their respective age classes were Jim Hajek and Sr. Josepha Schaeffer; Bode Zietz and Linda Schrodtt; Greg Lakebrink and Sue Hack; Karl Kohlrus and Theresa DeLeon (highest club mileage– 5,270); Don Daniels and Jo VanMetre; Bruce Beazly and Bette Wells; Roger Finnell and Krisanthe Vlachos; and David Mueth and Katie VanMetre. Most improved: Dave Mueth and Linda Schrodtt.

**1998–10 Years Ago:** Garland Stevens was Rider of the Month. ++ Left over from last month: 1997 Spinner awards–mileage pins designed by Jim Nugent–were presented to the following in their respective age categories: Louie Spinner (how appropriate), but no female winner because no one is as old as Louie; Sr. Josepha Schaeffer, no male winner; Joe Angermeier, no female winner; Bob Sorenson, no female winner because Bob bribed all the women in his age category to not ride and thus show him up; Garland Stevens and Laura Farson; Karl Kohlrus and Cathy Yeaman (top club honors with 4,282 miles); Ernie DeFrates and Lynn Rhoades; David Pitz and Linda Butler; Jon Humphrey and Lyn Schollett; and Jason Kidd and Amanda Kidd. Best of the Rest: Marty Celnick and Theresa DeLeon.
